Mr. Vojin Janjic

Manager, Water Based Systems, DWR

Mr. Janjic,

Please accept this letter as a timely application for renewal of permit #SOPHAR001 "Application of Aquatic Herbicides to Reelfoot Lake". The current permit is going to expire.

Issuance of this permit will allow the maintenance of historical hunting sites as well as access to these areas. There will be no changes in purpose or methodology in the application to these areas. Monitoring as well as a yearly report will continue as it has in the past.

Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, which appears to read "Jeff Martin". The signature is fluid and cursive.
